

10 WAYS DEMOCRATS ARE SAVING YOU MONEY

1

Cracking Down on Price Gouging

Holding wealthy corporations accountable for profiting off of hardworking Coloradans by cracking down on price gouging for groceries, toiletries and other necessities during a declared disaster ([HB25-1010](#)).

2

Tackling Junk Fees

Standardizing transparent pricing upfront on junk fees like 'maintenance fees', 'concierge fees' and other unpopular, surprise fees, helping bring down costs and improve price transparency for Coloradans ([HB25-1090](#)).

3

Prohibiting Rent Algorithms that Drive Up Housing Costs

Prohibiting corporate landlords from colluding to undermine the free market by using rent algorithms, which have contributed to a spike in rent prices by an average of \$136 per month in Denver, saving Colorado renters up to \$1,600 per year on housing ([HB25-1004](#)).

4

Saving Coloradans Money on Property Insurance

Reducing the cost of property insurance by making transparent how wildfire risk impacts an individual's insurance policy so Colorado property owners can take strategic steps to mitigate that risk, protect their properties from wildfire damage and save money on their property insurance policies ([HB25-1182](#)).

5

Simplifying Subscription Cancellations

Making it easier to cancel subscriptions and trial periods, especially by requiring companies to offer a simple online option, to save Coloradans time and money on cancelling services they no longer want to pay for ([SB25-145](#)).
