

# WAYS DEMOCRATS ARE SAVING YOU MONEY

1

## **Cracking Down on Price Gouging**

Holding wealthy corporations accountable for profiting off of hardworking Coloradans by cracking down on price gouging for groceries, toiletries and other necessities during a declared disaster ([HB25-1010](#)).

2

## **Tackling Junk Fees**

Standardizing transparent pricing upfront on junk fees like 'maintenance fees', 'concierge fees' and other unpopular, surprise fees, helping bring down costs and improve price transparency for Coloradans ([HB25-1090](#)).

3

## **Saving Coloradans Money on Property Insurance**

Reducing the cost of property insurance by making transparent how wildfire risk impacts an individual's insurance policy so Colorado property owners can take strategic steps to mitigate that risk, protect their properties from wildfire damage and save money on their property insurance policies ([HB25-1182](#)).

4

## **Simplifying Subscription Cancellations**

Making it easier to cancel subscriptions and trial periods, especially by requiring companies to offer a simple online option, to save Coloradans time and money on cancelling services they no longer want to pay for ([SB25-145](#)).

# WAYS DEMOCRATS ARE SAVING YOU MONEY

## **Safeguarding Essential Services for Veterans**

5

Protecting Colorado veterans from private “claim sharks” who mislead and defraud them by charging money to help navigate the application process to receive government benefits owed to them, like therapy and health care ([SB25-282](#)).

## **Reducing Child Care Costs**

6

Requiring child care centers to refund application fees, waitlist fees, or deposits to hardworking Colorado families if they don’t enroll their child into the child care center ([SB25-004](#)).

## **Combatting Predatory Vehicle Booting**

7

Holding bad-acting companies who use predatory vehicle booting methods accountable and protecting Coloradans from costly and frivolous vehicle booting ([HB25-1117](#)).

## **Protecting Safety Net Providers to Save Coloradans Money**

8

Supporting medical providers that serve low-income communities and protecting access to essential health care for thousands of Coloradans by providing financial support to safety net health care providers ([SB25-290](#)).

## **Adding More Starter Home Options for Coloradans**

9

Modernizing Colorado’s construction defect laws to spur the development of more affordable condominium and townhome units by incentivizing higher-quality construction and clearer guidelines for construction defect claims ([HB25-1272](#)).
